As it is unlikely that our area will be out of lockdown by this weekend, we do not expect that the scheduled performances of Steel Magnolias will go ahead.

We are hopeful that we can resume our program soon depending of course on the evolving covid situation. In the meantime, stay safe and stay tuned for further information as it comes to hand.

We are disappointed to announce that Knock and Run's production *TREVOR* has been postponed until further notice.

### Will we, or won't we?

With COVID upsetting the apple basket (as used in scene 9), it would behoove you to bookmark our auditions webpage page to keep up to date on changes to times and other COVID related requirements.

If all is well auditions are on:

04 September: 9am - 1pm

11 September: 9am - 1pm

There is something for every comic actor to audition for.

This will be a fun, fun, fun play to work on and we hope to get a fun, fun, fun group together onstage and backstage.

Cheers,

Lyn Singer (Director)
